

UMPIRE MENTOR CLINIC

Do you have umpiring experience? Would you like to mentor young and up-coming mentors for your club? The Becoming an Umpire Mentor clinic is designed to support you in supporting umpires, as well as giving you the confidence to help grow others confidence.

This is facilitated by B Badge umpire & TCNAI Umpire Coordinator Amy Butler. We encourage umpires of any skill level to join in learning how to become an umpire mentor.

This workshop is FREE!
