

Umpire Vest Identification

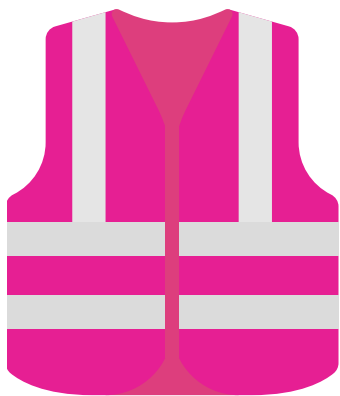

Junior Umpire

The yellow vests identifies a junior umpire who is new and learning. They wear this vest so that players, spectators, coaches and fellow umpires understand that they are developing and working to achieve a required level of experience.

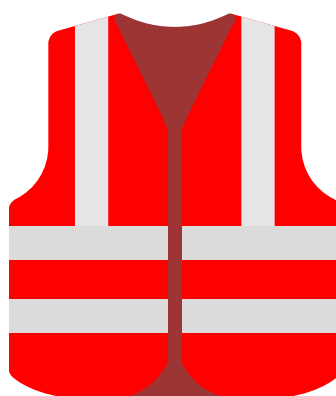

Club Umpire Mentor

The orange vests identifies a club umpire mentor. They wear this vest so that players, spectators, coaches and fellow umpires understand that they are supporting the junior umpire in developing their confidence and understandings of umpiring.

Umpire Official

The pink vest identifies a TCNAI umpire official such as the Umpire Coordinator or an Umpire Liaison. Umpire officials will monitor the games and feedback to umpires and mentors regarding the umpires' progress. They can be approached at any time and will respond to questions and concerns.

Club Liaison

The club liaison is a new addition to TCNAI in 2024. The club liaison will monitor the games on Senior and Junior fixture evenings to promote a safe and welcoming culture.
